

Privacy Policy

Smspva.com website administration is obliged to maintain your privacy on the Internet. We pay great attention to securing the data you provided to us. Our privacy policy is based on the General Data Protection Regulation (GDPR) of the European Union. The purposes, for which we collect your personal data are: improvement of our service, communication with visitors to this site, user data processing for the purpose of online sales, presenting the information requested by the user, providing services associated with the website's specialization, and for other actions listed below.

Personal data storage and processing

We collect and process your personal data only with your willing consent. With your permission, we can collect and process the following data: name and surname, e-mail address, collection and processing of your personal information is carried out in accordance with the laws of Republic of the Marshall Islands.

For users performing transactions via credit/debit cards, we collect and process additional identity verification data to comply with international Anti-Money Laundering (AML) regulations. This includes: full name, date of birth, identity document details (passport or ID card), and biometric data (facial scans for liveness verification). This data is collected and processed through our authorized partner **Sum and Substance Ltd (Sumsub)**.

Data storage, alteration, and removal

Users who have provided smspva.com with their personal data have the right to access, rectify, or request the deletion of their data. However, please note that according to international Anti-Money Laundering (AML) and Counter-Terrorism Financing (CTF) regulations, we are legally required to retain identity verification data and transaction records for a period of **5 years** after the termination of the business relationship. This statutory retention requirement overrides the 'Right to Erasure' (Right to be Forgotten) under GDPR for the duration of this period.

To ensure secure card payments, your data is shared with our authorized compliance partner, **Sum and Substance Ltd (Sumsub)**, and relevant payment processors. Once the mandatory 5-year retention period expires, all personal data will be permanently deleted from our systems. To exercise your rights or access your data, please contact our administration at: contact@smspva.com.

Processing of visiting technical data

Records of your IP address, time of visit, browser settings, operational system and other technical information is saved in the database when you visit [contact@smspva.com](https://smspva.com). This data is necessary for the correct display of the website's content. It is impossible to identify the person of the visitor using this data.

Children's personal information

If you are a parent or a legal guardian of an underage child, and you know that the child has provided us with their personal information without your consent, please contact us on:

contact@smspva.com. It is forbidden to enter personal data of underage users without the agreement of parents or lawful guardians.

[Cookies processing](#)

We use cookie files for the correct display of the website's content and for the convenience of browsing smspva.com. They are small files that are stored on your device. They help the website to remember information about you, such as in which language you use the website and which pages have you already opened. This information will be useful in the next visit. Thanks to cookie files, the website's browsing becomes much more convenient. You can learn more about these files here. You can set up cookies reception and blocking in your browser yourself. Inability to receive cookie files may limit the functionality of the website.

[Processing of personal data by other services](#)

This website uses third-party online services, which perform data collecting, independent from us. Such services include: Google Analytics, Google AdSense Data collected by these services may be provided to other services within those organizations. They can use the data for advertising personalization of their own advertising network. You can learn about user agreements of those organizations on their websites. You can also refuse their collection of your personal data. For example, Google Analytics Opt-out Browser Add-on can be found here. We do not pass any personal data to other organizations or services, which are not listed in this privacy policy. As an exception, the collected data may be provided on a lawful request of state authorities that are authorized to request such information.

We use **Sum and Substance Ltd (Sumsub)** as our primary third-party identity verification provider. Sumsub acts as a Data Processor and handles your personal and biometric data in strict accordance with GDPR standards to ensure secure and compliant card payments.
